CONGREGATIONAL MEETING

The leadership here has done much prayer and consideration regarding the continued safety and security of our members and visitors as we gather here to worship and serve God. There has been a team established and a consultant secured to assist us in accomplishing just that.

We know there have been many questions about some things that are already being done in this regard. To help in communication and to be able to address matters that we can all do to ensure safety and security, there will be a Congregational Meeting, Saturday morning, January 6th from 8 am to 11 am. It will be held in the auditorium and we want to encourage all who can, to be present.

NERD NEEDED! If you are computer savvy and want to assist the church in updating the VCOC website, contact Cyndee in the office. She will teach you the specifics of our program.

Congratulations to newly wed **Glen & Kim Wright**. They were married Friday, Jan.29. May God Bless their marriage and life together.
