Connection Groups for the September-November Quarter: Lessons for the upcoming quarter will focus on discussion and application of the morning sermon. Did you ever wish that the minister had more time to expand on, or further explain a point? Have you ever wanted to ask a question or make a comment regarding the lesson? Discussion leaders will revisit the scriptures and points made in the morning sermon. Participants will be encouraged to offer thoughts and questions for the benefit of our collective understanding and application of the lesson to our personal needs.

Two Opportunities:

1. Consider being a host family for the session.
2. Commit to attending one of the groups for the benefit of all.

Response: Corey Clark responded Sunday and will be studying with David about becoming a member of Christ's church. Please keep them in your prayers.
