

Coatzacoalcos Report – March 2021

We hope you continue to be blessed by our God. We would like to share that we have been able to meet at the building since March. Currently, we are only allowed to meet in person, Sundays for worship and with no more than 35 people. We have had attendance of 22 to 33 people, including children.

Tuesdays and Thursdays we continue to have our video call meetings. Sundays in the afternoon our youth meets, via video call, as well.

Sister Ofelia's gall bladder surgery (for which she is very grateful to you for all her support) has been put on hold after she contracted Covid, and then, pneumonia (April 28). She has been given orders to be in isolation for two additional weeks.

Bruno Zapata

Since some restrictions have been lifted, we have been able to provide maintenance for our church building in the following areas:

1. Waterproofing the roof.
2. Paint all the outside walls.
3. Paint a sign on the façade of the building.
4. Paint the door security fence and the emergency stairs.

We continue to ask you of your prayers for each one of us.

Pictures to follow:
