## MESSAGE FROM ELDERS

The number of new cases of COVID-19 continues to grow in Arkansas. Thursday's total was 12,990 new cases. For the past 10 days we have reached record levels way above what we saw in 2020. Many of our families and friends have contracted this new Omicron variant. In order to be as protective of our congregation as possible, the elders have decided to return to virtual worship services beginning this Sunday, Jan. 16th. The building will be closed to all activities until further notice. We will continue to monitor the situation and keep the congregation informed. We are using the automated telephone messaging, so please check your voice mail. The office will be open normal hours and communion supplies are available to those that are in need.
