### Just a Reminder

We are blessed with a wonderful building and facilities that we share with the community. Our members frequently visit our building after office hours for various reasons and we are asking for your help. When you exit the building during non office hours, please double check that the door you exit from is latched and locked. Once in a while, the doors don't latch properly even though they may be locked!! We appreciate your attention to help keep our building and members as safe as possible.
