NEWS FROM MAIKON BORBA FLORIDA PORTAGUESE MISSION POINT

The Missions Committee has received ideas from Maikon that he believes will enhance the efforts there. The committee concurred with the idea and our Elders have agreed that this should be put before the congregation. Maikon would like to see some of our members 'adopt' the Portuguese students he is studying with to enhance their connection to us. Our encouragement through writing letters, cards, care bags, and providing Portuguese/English Bibles would personalize their experience. Maikon has a source for the Bibles and the cost for each of our sponsors is about \$20.00. He will provide the contact information of the students who wish to work with us. This is about what some of our congregation is currently doing through World Bible School. Anyone interested in participating can reach out to Maikon and he will set things in motion. Questions and interest can also be directed to Mike and Jean Melson.
