MEALS MINISTRY

The King will reply, "Truly I tell you, whatever you did for the least of these brothers and sisters of mine, you did for me" Matthew 25:40

Now that we have resumed our Wednesday evening meals, we have also resumed the meals we deliver to our families in times of need.

The Wednesday Evening Take Out Meals are delivered to our shut-ins and short term situations of illness when there are no family members available to help. Delivery helpers are needed.

The Family Meal Deliveries are short term situations such as when first coming out of the hospital. We have divided our members according to location in order to make the delivery more convenient. We all know how much we appreciate this service when in need. We need assistance from each group to provide and deliver the meals. If we all share in this service opportunity, it should never be a burden.

Funeral Family Meals, are prepared and served to the family members here at the building either before or after the service. This gives the family an opportunity to gather and fellowship.

All of the meal ministries are such a blessing to both those that provide and those that are in need. Please pray for and participate in helping those that are organizing these ministries.
