pray without ceasing!

Due to space restrictions, we need to make some adjustments to our prayer list in the bulletin. We will still keep all in our prayers, but after two weeks the current list, as space is needed, will be moved to the “Continue to Remember” list below. Periodically, we will publish a long term list as an insert. You can also retain your bulletin for reference. The insert this week contains all the older requests plus the ones we removed from this space today. Please help us with updates when someone can be removed. We appreciate your help and understanding. God never forgets!
